Leadership Toole County
112 1st St. south Shelby, MT 59474

PURPOSE:

Educate and motivate existing and potential community leaders by encouraging community involvement for the betterment of Shelby, Sunburst and all of Toole County.

OBJECTIVES:

1. To introduce participants to Leadership Toole County by providing an opportunity to learn about our local history, school systems, media, community organizations, legal, law enforcement/corrections, employment, government, business and finance, agriculture, energy, transportation, health and medical services, human services, recreation and tourism and the impact they create within our area. To be accomplished through quality programs delivered in an interactive format, using local experts in conversation with participants.
2. To motivate participants toward greater involvement and volunteerism by informing them of community concerns and volunteer opportunities during each program session.
3. To create opportunity for meaningful conversation between participants and experts in an effort to encourage conversation and common ground in looking to the future of Toole County and the communities within.
